

Welcome Players/Parents,

Soccer Stop is excited to bring you your own www.riovista.soccerstop.com retail website. Please feel free to browse our products and see the latest that adidas and some of the other major brands have to offer. Over the course of the year we will periodically offer specials and promotions on equipment and occasionally run competitions on our 'NEW' Facebook page, so please check it out and become a 'FAN'

All of the prices on our website offer Rio Vista players and parents at 10% discount off the suggested retail price and if you end up spending \$99 or more you are able to receive 'FREE' shipping on your order by using the shipping code on our websites homepage.

Coming Soon for fall 2011 is our new team ordering system called 'First Touch' where team managers or individuals will be able to order their specific teams uniforms online at firsttouch.soccerstop.com. This is a new concept in team business and we believe at Soccer Stop this will revolutionize the way team business is done in the future. Please stay tuned for future updates and developments on this new program.

We always value feedback and ways to better service our customers or if you just have a question regarding new products or requests, please contact us at 888.220.8418 or email to online@soccerstop.com.

Thank You and Good Luck this season!
